### Fire Station

Tramsingel 71, 4814 AC Breda

462 ■ PUB 1999

Located on a main axis into Breda, this landmark building is positioned so that fire engines have direct access to the road. The walled, ovoid site contains a garage, office space, sleeping quarters, training and sports facilities. The facade is animated by a pattern of horizontal and vertical bricks.

### Popcentrum 013

Veermarkstraat 44, 5038 CV

Tilburg

Tel +31 13 460 9500

463 □ REC 1998

The function of this pop and rock music venue, in the heart of Tilburg's entertainment district, is expressed through its facades which are clad in black rubber sheets with CDs placed at each intersection. Inside, three halls can accommodate a mix of events and a range of audience capacities.

### Stuivesantplein Housing

Geefhuishof 1-35/1-9, 5021 GE

Tilburg

464 ■ RES 1999

This development is composed of two housing blocks. The collective nature of the three-storey block, containing 26 rented apartments, is emphasized by its strong horizontal grid. The lower, terraced block contains nine double-storey owner-occupied houses.
